Lloyd Stone visited friends in Rhode Island Thursday.

Mrs. Joseph Dumas were called to Killingly Center Friday owing to the serious illness of their granddaughter.

Miss Eleather Sheldon visited relations as to the pro-German-feeling, as nearly all of those who were former subjects of the kaiser are today loyally backing the United States.

Some rumors as to the pro-German-found in this vicinity are attracting attention and such facts as have been found in the cases are to be referred to the proper authorities for investigation. Danielson has been very free from pro-German feeling, as nearly all of those who were former subjects of the kaiser are today loyally backing the United States.

PROMOTION ANNOUNCED.

Lester E. Shippee Has Been Made Quartermaster Sergeant.

Word has been received by friends Word has been received by friends of Lester E. Shippee, formerly assistant cashier of the Windham County National Bank, and now in the service of his country, and located at Camp Joseph E. Johnston, Jacksonville, Florida, that he has been promoted to the rank of quartermaster sergeant. This is an important post for the army no matter how well. for the army, no matter how equipped with guns and ammunition, cannot fight a battle if their stomachs are empty, and the quartermaster's division is that of providing food in ade-quate amounts for the men. Mr. Shippee was in a company of

two hundred and thirty to take inten-sive training for this department, and out of this entire company only twelve were selected for the work of which Mr. Shippee was one. His reported average in the studies, which they were obliged to take, was given as lieved to have information that will ninety-seven. Another honor was accorded the local boy in being selected for O'Neil's death are to be called to as one of fourteen from the camp to have in charge the distribution and sale of Liberty bonds in and around Jacksonville. He reports every one enthusiastic and doing their bit in the sunny south. It has given him an ex-cellent opportunity to get in contact with the business men and bankers of the southern city and his experience in our local bank has given him an unusual opportunity for service in this land cities, but the cutting down of

Beer Higher, Glasses Smaller.

Advances in prices by the brewers s to result almost immediately in the nutting down of the size of beer plasses in Killingly's saloons. The price of beer, in some instances, has been boosted as much as \$3 a barrel, and this means that the retail dealers and this means that the retail dealers no longer can continue to sell as large glasses of beer as they have been for ive cents.

It is now likely that the price will be jumped to 10 cents a glass here, as has been done in some New Eng-
